Terms of Service

These Audi connect Terms of Service (“Terms of Service”) govern your use of the Audi connect services (the capabilities of which may vary by model and model year), including Connect CARE, Connect PRIME, Connect NAV, and Connect PLUS, Audi connect Digital Products and Services (including, but not limited to, Function on Demand), and any software, websites, or applications associated with Audi Connect (collectively the “Service” or “Services”) available with your Audi vehicle (your “Vehicle”). Certain services or offerings available through Audi connect, Connect PRIME, or Connect PLUS that are provided directly by third parties are governed by separate Terms of Service, for example, for Wi-Fi hotspots, the Terms of Service of your selected wireless provider will govern, and for Motion for Audi connect® the Terms of Service of Audi’s designated service provider(s) will govern certain service(s). Your Vehicle contains hardware and software (“Equipment”) that enables you to receive Services as part of a designated service plan (“Service Plan”). Some Services require the installation of additional Equipment. Some Services are included for an introductory period with your Vehicle and are available for paid subscription after the introductory trial period. Not every Service or Service Plan includes an introductory period and use of such Service or Service Plan may require a fee. Information about the Service and each of the Service Plans is available at <http://www.audiusa.com/technology/intelligence/audi-connect> (the “Audi connect website”).

THESE TERMS OF SERVICE CONSTITUTE A LEGAL AGREEMENT BETWEEN YOU AND US. IF YOU DO NOT AGREE TO THESE TERMS OF SERVICE, DO NOT USE THE SERVICES.

PLEASE BE ADVISED THAT THIS AGREEMENT CONTAINS PROVISIONS THAT GOVERN HOW DISPUTES BETWEEN YOU AND US ARE RESOLVED, WHICH INCLUDE AN AGREEMENT TO SUBMIT ANY DISPUTE RELATED TO THE SERVICES OR THESE TERMS OF SERVICE TO BINDING INDIVIDUAL ARBITRATION RATHER THAN PROCEEDING IN COURT. THESE TERMS ALSO INCLUDE A JURY TRIAL WAIVER AND A CLASS ACTION WAIVER, WHICH MEANS YOU AGREE NOT TO HAVE A TRIAL BY JURY AND NOT TO PROCEED WITH ANY DISPUTE AS PART OF A CLASS ACTION. PLEASE SEE SECTION 16 OF THESE TERMS OF SERVICE FOR FURTHER INFORMATION.

The Service is provided to you, the Vehicle owner, or lessee (“you” or “your”) by Audi of America, Inc. (“AoA,” “we,” or “us”), an operating division of Volkswagen Group of America, Inc. (“VWGoA”), certain third-party service providers (“Service Providers”), including providers of the wireless networks on which the Service relies (“Wireless Service Providers”), emergency response service providers (“Response Provider(s)”), and content providers (“Content Providers”). Such Service Providers, Response Provider(s), and Content Providers will together be referred to as “Service Partners.”

These Terms of Service set forth the agreement between you and AoA with respect to the Service are legally binding. When you accept the Terms of Service during our sign-up process or when you access or use the Service, you are indicating that you have read, understand, and agree to be bound by these Terms of Service. In addition, your use of the Service and the Audi connect website is subject to the AoA Privacy Statement, and if you are registering a Key User, the Key User Agreement, which are incorporated by reference into these Terms of Service. A copy of the Privacy Statement is available on the Audi of America website at audiusa.com/privacy. The parent, subsidiaries, and affiliates of VWGoA, including but not limited to Volkswagen AG and Audi AG (together with AoA, the “Audi Companies”) are third-party beneficiaries under these Terms of Service and the protections set forth in these Terms of Service, including without limitation, the disclaimers of warranties and limitations of liability, shall extend to them.

1. Starting Your Audi connect Service

In order to use the Service, you must agree to these Terms of Service. The terms of your specific Service Plan, including the pricing if you continue the Service after any introductory period, and other terms that are part of your Service Plan, are part of these Terms of Service. You will be bound by these Terms of Service if either: (i) your Vehicle purchase or lease agreement contains a provision that says you agree to these Terms of Service; (ii) you sign a contract that includes these Terms of Service; (iii) you purchase or lease a Vehicle that includes the Service in the purchase or lease price and you register for the Service; (iv) you speak with an Audi connect customer service representative and register for the Service; (v) you authorize your independent AoA-authorized dealership (“Audi Dealer”) to register for the Service on your behalf; or (vi) you or someone you authorize to use your Vehicle and the Service uses the Service or accepts any of its benefits. Once you accept these Terms of Service you are responsible for your own compliance with these Terms of Service and for compliance by occupants of your Vehicle and anyone using the Service or your account, whether or not authorized by you.

Although Audi connect Services will be active in all vehicles, except for certain Connect CARE services listed below, some Services will not be enabled for use until you have installed required Equipment or you register for a trial or paid subscription service, either at your Audi Dealer or on your own. The Connect CARE services listed below are active and enabled prior to purchase or lease, may not require registration or activation, and will be available for a limited period following delivery of the Vehicle:

- 1) Automatic Emergency Call (in the event of an airbag deployment, the vehicle electrical system initiates an automatic emergency call to the emergency service center);

- 2) Manual Emergency Services (provided when you contact us directly, through the use of the SOS button in the Vehicle, to notify us of an accident or mechanical breakdown and request emergency services);
- 3) Stolen Vehicle Locator (assists law enforcement in locating your vehicle if it is stolen);

2. Changing Privacy Settings for Audi connect Service

In Vehicles equipped with privacy mode, the Audi connect Service can be disabled by using privacy settings. If enabled through your Vehicle MMI, activating privacy mode deactivates some or all Audi connect services. For enabled Vehicles, please see your owner's manual for a description of which services will be disrupted and which will still be available when privacy mode is enabled.

3. Changes to Terms of Service

We can change these Terms of Service; change, add, or delete Services and Service Plans; and change the prices we charge for each Service Plan, at any time. We will notify you of such change by sending notice of or otherwise posting amended terms through the myAudi mobile app and/or myAudi web portal, or as required by law. Any change in prices for your Service Plan will not take effect until the current term of your Service Plan has expired. It is your responsibility to review these Terms of Service periodically and when notified of a change. You can cancel the Services if you do not agree to the change, but if you do not notify us within 30 days after we give you notice of the change, then the change will become part of this agreement with you. You agree that you are accepting such changes for yourself and any additional users of the Services using your Vehicle.

4. Registering with Us

If you wish to get the full benefit of your Service Plan, you must register for the Service. Until you register, the Service, excluding Connect CARE features noted above, will not be available. You will be asked to provide identification information as part of the registration process and may be required to provide a credit card.

In order to use the full features of the Service you will be required to create a myAudi account at <https://www.audiusa.com/myaudi>. When you create an account, you must provide accurate and complete information; keep your account and password secure and not disclose them to anyone; and notify us immediately of any breach of security or unauthorized use of your Service or account using the contact information in Section 17 of these Terms of Service. You will be solely responsible for all activity in your account.

In addition, as the owner of an Audi vehicle, you can designate a primary vehicle user (“Key User”) to utilize certain Services and designate additional vehicle users. Certain Services are only available for Key Users. Acceptance of the Key User Agreement, which includes these Terms of Service, ensures that certain Services are available only to the appropriate vehicle users and requires completion of the Key User registration and verification process.

5. Paid Service Plans, Service Costs, Taxes, and Other Charges; and Payment Terms

a) Paid Service Plans

We may make available certain paid Services and subscription-based Service Plans (collectively, “Paid Plans”) from time to time, each with various services and features for model year 2020 and later Vehicles. Information about specific features for Service Plans, including information and pricing for Paid Plans, is available at the myAudi web portal and/or the myAudi mobile application, or by calling us at 1-877-505-2834. Service Plans may include services provided by certain third parties that are subject to separate terms and conditions.

b) Introductory Period

The purchase or lease of your Vehicle may include an introductory period for Paid Plans (also referred to as a “trial plan”). The introductory period, if any, starts on the date that you activate your trial and continues for the time specified in the trial plan. You can learn about the features included in your Service Plans, including Paid Plans, additional features that may be available to you, and the prices for Paid Plans and additional features (the “Service Rates”) on the myAudi web portal, the myAudi mobile application (“my Audi App”), or by calling us at 1-877-505-2834. You may terminate Service during the introductory period of the Paid Plan, if any, included with the purchase or lease of your Vehicle, by contacting an Audi connect customer service representative at 1-877-505-2834. However, the Connect CARE features will remain active and enabled.

c) Renewal After Introductory Period

After any included introductory period ends, the Service will be discontinued unless you renew your subscription with a valid credit card or through any other means of electronic payment, acceptable to us, and provide us with appropriate authorization to charge the credit card or use such other acceptable means of electronic payment. In the event you are enrolled in a Paid Plan with an automatic renewal feature, you authorize us to use your credit card to automatically charge recurring fees due for renewal of or continued subscription to a Paid Plan. All recurring payments will be due in the amounts and frequency specified for the particular Paid Plan. Your payment

method on file will be automatically charged within 24 hours of the end date and time of your current plan, where the end date and time are determined by the initial billing date and time of the plan purchase plus the length of the paid plan (such as 30 days for monthly plans or 365 days for annual plans). If your billing cycle falls on a weekend or holiday, we may charge you on the next business day. To cancel the Services and stop automatic renewal or recurring payments under a Paid Plan, follow the instructions in Section 6 below.

d) Other Service Charges

You may be responsible for paying directly to third parties, including Connect PRIME and Connect PLUS Service Providers (such as AT&T, Verizon, and T-Mobile) and in certain circumstances, Response Providers (such as Moj.io), all charges for services furnished by them directly to you that are not expressly covered by your Service Plan.

e) Taxes Fees and Surcharges; Other Charges

Service Rates do not include certain taxes and surcharges that may apply to your Service. To the extent applicable, as determined by us in our sole discretion, in addition to Service Rates, we may charge state and local sales taxes, surcharges for federal and state Universal Service Fund contributions, and state and local 911 or other emergency service fees. Charges may also include a cost recovery surcharge. Surcharges are typically assessed to help defray our costs (or the costs of our Wireless Service Providers) incurred in complying with federal and state telecommunications regulations. Surcharges are not taxes or fees that the government requires from consumers. In addition to all applicable Service Rates, you agree to pay all taxes and surcharges charged to you by us, which will be added to your bill.

You are responsible for paying directly to third parties, such as medical providers, emergency responders, and roadside assistance providers all charges for products or services furnished by them directly to you that are not expressly covered by your Service Plan. Any fees, fines, or other charges levied by law enforcement agencies or authorities and/or public safety access services, due to a false alarm or similar occurrence, and related costs, will be your responsibility. We may bill you such charges and costs directly to you, and you agree to pay such charges and costs upon receipt.

f) Payment Methods and Your Payment Responsibilities

You are responsible for paying all amounts due on time and in full. All charges (including all Service Rates, taxes, and surcharges) will be charged in advance of the term to which they apply and are non-refundable. You may be requested or required to provide payment card or other financial account information to be stored in your myAudi account. When you provide a payment method for your myAudi account, you allow and authorize AoA to store, maintain, and recover funds from your specified payment method in accordance with these Terms of Service. Your payment method may be used by AoA to pay for any fees, charges, surcharges, or applicable taxes for your purchase from AoA or your use of the Services. Your failure to maintain at least one valid payment method in your myAudi account may disrupt your ability to make purchases or access certain paid elements of the Services that we offer. For accounts with more than one

payment method, you must designate one as your “Preferred Payment Method.” If the Preferred Payment Method is invalid, expired, or otherwise cannot be charged, you consent and authorize us to charge any alternative payment method(s) in your myAudi account. You agree that if we are unable to collect payment for the Services, we may reserve the right to discontinue or terminate service without advanced notice.

If your payment information has changed at the time payment is due, you must arrange for payment or provide us with updated payment information, or else we may discontinue the Service. We may terminate or suspend your Service (in whole or in part) without notice to you, if your credit, charge, or debit card provider refuses a charge from us or if such card has otherwise expired. Even if we terminate or suspend your Service, you will still be responsible for any charges due at the time of such suspension or termination.

You expressly consent and authorize us to: (1) verify, either ourselves or through third parties, your credit, charge, or debit card information; (2) receive updated account information from the financial institution issuing your credit, charge, or debit card; (3) review your credit history and obtain credit reports to determine your creditworthiness; (4) charge all amounts for which you are responsible to the credit, charge, or debit card account number you have provided. We will only use this information in connection with determining whether to provide you with or charge you for the Service and as permitted by the AoA Privacy Statement.

The payment and invoicing may be managed and processed by a third-party payment service provider (“PSP”). The PSP, working with AoA, may require acceptance of additional terms or direct registration with the PSP. However, you can manage your payment information (e.g., billing address) through the applicable ordering process (e.g., during the payment process) and your myAudi account. While AoA may add or remove payment processing methods in its sole discretion, you are solely responsible for the transactions you initiate, any orders you place through the myAudi Marketplace, and the amounts payable.

g) Disputed Charges

Please review and confirm the purpose, amount, and conditions of the charges for the Services. However, if you think that there has been an error in any charge billed by or through us, you must notify us by calling (877) 505-AUDI within sixty (60) days, or such longer period as required by law, after the charge is posted to your account to request an adjustment. If you do not contact us about the disputed charge within this time period, you agree that you have waived your right to dispute the charge and must pay all amounts due in full.

6. Service Cancellation and Refunds

You can cancel or terminate your Paid Plan at any time by calling an Audi connect customer service representative at 1-877-505-AUDI or visiting your account profile on the myAudi mobile app and/or the myAudi Web Portal following the instructions to cancel a Paid Plan. If you cancel or terminate your Paid Plan, you will not be entitled to a refund; however, you can continue to use the Service for the remainder of the period for which you paid. If you are participating in a Paid Plan, you must provide your notice of cancellation at least 15 days prior to

the start of your next renewal period in order to avoid being charged for the next renewal period. You cannot cancel or terminate Connect CARE services.

When you cancel a Paid Plan, your cancellation will be effective as of the date you request your Paid Plan to be cancelled. For Services provided by third-party Service Providers pursuant to their separate terms and conditions, you must follow the cancellation terms and requirements specified in those terms and conditions. Visit the Audi Connect Website or the myAudi App for links to the terms and conditions of Content Providers or Optional Third Parties.

Please see Section 7c for notice and cancellation requirements if you transfer or sell your Vehicle.

7. Termination, Suspension, Reactivation, Change, and Transfer of Service

a) Our Rights to Suspend or Terminate the Service

We can decide to either suspend or terminate the Services at any time for any reason in our discretion, including: (i) for network or system maintenance, improvement, congestion, or failure; (ii) if we suspect your Service (in whole or in part) is being used for any unauthorized or inappropriate purpose; (iii) as a result of your breach of these Terms of Service; (iv) due to any event beyond our control as described in Section 11(e) of these Terms of Service; or (v) for reasons unrelated to you or your account with us. If suspension or termination of the Services occurs for any reason, you acknowledge and agree that you may not be able to access the Services, including the emergency services. Availability of Services (including Connect CARE) is subject to certain technologies remaining commercially available for the Service period (including technologies provided by Wireless Service Providers), and such availability is not guaranteed or subject to any warranty coverage. Please consult your vehicle's warranty documentation for more information on warranty coverages and important limitations and exclusions.

If we elect to terminate your Services (in whole or in part) as a result of your breach of these Terms of Service or unauthorized use of the Services or Equipment, or any other reason, you will not be entitled to any refunds or credits. You do not have any right to have your Services reactivated, even if you cure any of the issues that resulted in the termination or suspension of your Service. It is solely our decision as to whether to allow you to reactivate Services. If we do decide to reactivate your Services, we have the right to charge a reactivation fee, and any past due amounts must be paid before the Services are reactivated.

In addition, if we are advised by your financing company or any Audi Companies, or otherwise receive confirmation that you no longer own or lease your Vehicle, we may suspend or terminate your Services. Please see Sections 7(c) below for requesting a cancellation or transfer of the Services.

This Section does not include termination of services provided by a Service Partner (as defined above) that are subject to separate terms and conditions.

Availability of the Service (including Connect CARE) is subject to certain technologies remaining commercially available for the Service period (including technologies provided by Wireless Service Providers), and such availability is not guaranteed.

b) Reactivation of Service

You do not have any right to have your Service reactivated, even if you cure any of the issues that resulted in the termination or suspension of your Service. It is solely our decision as to whether to allow you to have Service again. If we do decide to reactivate your Service, we have the right to charge a reactivation fee.

c) Transfer of Service, Sale of Vehicle, Termination of Lease

You must notify us if you sell or transfer your Vehicle or end its lease by calling an Audi connect call customer service representative at 1-877-505-AUDI, and you should cancel your Service Plans in accordance with Section 6 of these Terms of Service. If you fail to notify us and cancel Services, you will remain responsible for all charges for any Service incurred in connection with such Vehicle. It is your responsibility to remove all data and content (including any personal information), if any, that you may have stored on your system before you sell or transfer your Vehicle, to the extent permitted by the Equipment. You must also notify the new owner if any services or features are active when you transfer the Vehicle, and you must disclose to the new owner that those services or features involve the collection, use, and sharing of data as described in these Terms of Service and the AoA Privacy Statement.

Certain Audi connect Digital Products and Services (including, but not limited to, Function on Demand) may be permanently enabled in your Vehicle, and cannot be removed from your Vehicle, if you have purchased them as a lifetime plan. After you sell or transfer your Vehicle or end its lease, you will not be entitled to a refund for any Digital Products and Services you have purchased.

We may communicate with you about the Service by providing you with messages through the Equipment in your Vehicle. If you fail to notify us of a sale or transfer of your Vehicle or termination of your lease, we may continue to send messages to the Equipment in your Vehicle. We are not responsible for any privacy-related damages you may suffer as a result of such a failure to notify us of a sale or transfer of your Vehicle.

8. Authority to Use, Terminate, Change or Transfer Your Service/Service Plan

We will only accept requests from you (or from someone we believe is you, or someone with your authorization, such as your authorized agent) to use, activate, cancel, change, reactivate, or transfer the Service. You agree that we can assume that anyone who provides your registration information is authorized to act on your behalf, and that we shall have no responsibility or liability for anything that may arise from our providing any services to, or acting upon instructions from any such individual, even if such individual is not, in fact, authorized by you to use the Service or your account. You should notify us immediately of any breach of security or unauthorized use of your Service or account using the contact information in Section 16 of these Terms of Service.

9. Your Additional Responsibilities

a) Your Responsibility for the Proper Operation of Your Vehicle and Proper Use of the Service

YOU EXPRESSLY ACKNOWLEDGE AND AGREE THAT THE USE OF OR ANY RELIANCE UPON ANY INFORMATION OR CONTENT AVAILABLE THROUGH THE SERVICE IS SOLELY AND COMPLETELY AT YOUR OWN RISK AND RESPONSIBILITY. IT IS YOUR SOLE RESPONSIBILITY TO ENSURE THAT YOU (AND/OR ANY OTHER OCCUPANT OF YOUR VEHICLE) FOLLOW INSTRUCTIONS FOR USE OF THE SERVICE AND EXERCISE GOOD JUDGMENT AND OBEY TRAFFIC AND ALL OTHER APPLICABLE LAWS AND REGULATIONS, WHEN OPERATING YOUR VEHICLE; USING THE EQUIPMENT AND SERVICE; AND/OR EVALUATING WHETHER THE USE OF ANY OF THE SERVICES (OR THE ROUTING AND DIRECTION DATA YOU RECEIVE) IS SAFE AND LEGAL UNDER THE CIRCUMSTANCES.

b) Your Responsibility for Insuring Your Vehicle

The Service is provided to you as a convenience. The Service does not constitute insurance and you should not rely on it to limit the potential for loss, theft, or damage to your Vehicle or property. You are solely responsible for obtaining and maintaining any and all insurance for your Vehicle, your passengers, and your property. No insurance company or insurer will be entitled to any right of subrogation against us or our Service Partners.

c) Your Responsibility for Maintaining Your Vehicle

In order for us to provide the Service, the Equipment in your Vehicle must be in good working order (e.g., properly connected to power or communication resources) and your Vehicle must have a working electrical system and adequate battery power. The Service may not work if you try to modify the Equipment or add any equipment or software in or to your Vehicle that is not expressly authorized by us or is not compatible with the Equipment or Service. You may need to adjust your use of other Vehicle features, such as adjusting the volume of your radio to hear the audio portions of the Service. You are solely responsible for the proper maintenance of your Vehicle and its systems (including the Equipment) and for keeping them in good working order and in compliance with these Terms of Service and all applicable laws.

d) No Illegal, Fraudulent or Abusive Use of the Service

You may not use the Equipment, the Service, or the Audi connect website, in any way that is illegal, fraudulent, or abusive, including to harass, threaten, abuse, defame, or slander, any individual or entity. You may use our emergency services, including Connect CARE, or Response Provider services, including Motion for Audi connect®, only for actual emergencies and legitimate vehicle assistance needs. Remote door unlock is not intended as a substitute for carrying your Vehicle key with you.

You may not use the Service in a manner that interferes with any other customer's use of our Service or our provision of our Service to our other customers. You agree you will not abuse or do anything to damage our or any of our Service Partners' respective business, operations, services, reputation, employees, equipment, property, or facilities. You further agree that you will not harass, threaten, or use vulgar and/or inappropriate language towards any customer service representatives.

e) No Commercial Use or Resale of the Service

The Service, including the messages, data, information, content, or other material provided as part of the Service, are provided only for your non-commercial use, and not for re-sale. Certain information you receive through the Service belongs to us or our Service Partners (or other third parties) and may be subject to one or more copyrights, trademarks, service marks, patents, or other legal protections. You may not (and may not permit or cause any other party to) sell or resell or otherwise use the Service or any information provided through the Service for commercial purposes, nor may you reproduce, copy, modify, attempt to reverse engineer, make derivative works from, or otherwise display or distribute information provided through the Service.

f) No Rights to Telephone Numbers or Other Addresses

You have no property right in any number, address, or other communication identifier that may be assigned to you or to the Equipment in connection with the Service. Any such number, address, or identifier may be changed from time to time.

g) Your Responsibility for Others Who Use Your Vehicle

You are solely responsible for those who use the Service in your Vehicle or use your authentication information, even if you later claim the use was not authorized, and you will be responsible and promptly pay for any charges arising from such use, and any damages to or expenses incurred by us or any of our Service Partners as a result of such use. Neither we nor any Service Partner has any obligation to inquire about the authority of anyone using your Vehicle or other information that can be used to identify your account to request the Service for your Vehicle. You are responsible for the security of any passwords you use to access the Service. We will make any changes to your account or charge you for any amounts authorized by a person who provides your authentication information.

h) Use of Certain Service Features

Please see the Vehicle's available manual(s) to understand specific connect services and features, such as locating a lost or stolen Vehicle, emergency assistance and service, and content providers. Please review your Vehicle's available manual(s) for information on activating or deactivating the available "privacy" mode(s) for your Vehicle or its applicable Equipment.

10. Terms Applicable to Specific Services or Service Features

a) Locating Your Vehicle if It Is Stolen

If your Vehicle is stolen, we can try to help locate it after we receive satisfactory identification and confirmation from the police that the Vehicle has been stolen. We generally only provide location information about stolen vehicles to the police. However, in cases of crises or emergencies, we may, in our sole discretion, provide you with information about the general area of your Vehicle without police involvement. Neither we nor our Service Partners have any obligation to continue our attempts to locate your Vehicle after thirty (30) days from the time it is first reported stolen or lost to us, and we cannot guarantee that we will be able to find it. We do not have any obligation to try to find your Vehicle outside of a Vehicle theft situation, such as trying to locate an individual for you. If your Service Plan provides you with the ability to locate your Vehicle, such as by using a mobile application, in no case should you use this feature to try to locate a stolen vehicle. Such efforts are for appropriate law enforcement agencies.

To enable you to continue to receive the benefits of the Service in the event your Vehicle is recovered, we do not terminate the Service when you report that your Vehicle is stolen, and we will not terminate the Service unless and until we get express instructions from you.

b) If You Need Emergency Assistance

We or our designated Response Provider will use reasonable efforts to contact appropriate emergency personnel, such as police, fire department, or emergency responders, for assistance when you request it or when the Equipment in your Vehicle signals for it, but we cannot guarantee that any such emergency personnel will respond in a timely manner or at all. We will assume an emergency exists if we receive a crash notification signal from your Vehicle, such as a signal that your air bags have deployed. If applicable laws require an emergency to be confirmed before emergency personnel provide service, we will not contact emergency personnel in these areas until we hear your request for assistance or otherwise confirm that an emergency exists.

YOU EXPRESSLY RELEASE US AND OUR SERVICE PARTNERS FROM ALL LIABILITIES AND LOSSES (INCLUDING, WITHOUT LIMITATION, PHYSICAL INJURY AND DEATH) THAT YOU OR OTHERS MAY SUFFER IN AN EMERGENCY SITUATION, INCLUDING, BUT NOT LIMITED TO, IN THE EVENT OF OUR FAILURE TO CONTACT APPROPRIATE EMERGENCY PERSONNEL, OR A SITUATION WHERE THE SOS BUTTON, ROADSIDE ASSISTANCE BUTTON, OR SERVICES ARE NOT AVAILABLE.

c) If You Purchase an Audi connect Digital Product and Service

You may purchase Audi connect Digital Products and Services (including, without limitation, Function on Demand) which activate optional features in your Vehicle for specified run times, including but not limited to, on a monthly, annual, or lifetime basis. Function on Demand service extensions such as navigation, light function, traffic sign recognition, and others may only be available in specific models, trims, and model years. All the terms specified in Section 5, Paid Service Plans, apply to Digital Product and Service purchases.

YOU EXPRESSLY RELEASE US AND OUR SERVICE PARTNERS FROM ALL LIABILITIES AND LOSSES (INCLUDING, WITHOUT LIMITATION, PHYSICAL

INJURY AND DEATH) THAT YOU OR OTHERS MAY SUFFER WHEN DIGITAL PRODUCTS AND SERVICES YOU HAVE PURCHASED ARE NOT AVAILABLE.

11. How the Service Works, Our Service Partners, Restrictions, and Limitations

a) Our Service Partners

We work with many different affiliated or third-party companies, individuals, and government entities to provide you with the Service. These Service Partners include, for example and without limitation, Wireless Service Providers, other telecommunications providers, Response Providers, public safety operators, other emergency service personnel, towing companies, vehicle distributors and dealers, equipment and software manufacturers, licensors, payment processors, Content Providers, and any parties who provide any service, equipment, content, feature, or facilities in connection with the Service. These parties are collectively referred to in these Terms of Service as our “Service Partners.” In some cases, one or more of the Audi Companies may be a Service Partner. In the event any of our Service Partners impose additional terms and conditions on the services they provide, by accessing such services you agree to comply with any additional terms and conditions imposed by them, which will be available on the Audi connect website.

Certain Audi connect services, including certain Connect PRIME, Connect PLUS, or Motion for Audi connect[®] features, available on vehicles equipped with the Service will be provided through third-parties, such as AT&T, T-Mobile, or Verizon for Wi-Fi hotspot services or Moj.io for certain Response Provider services. If a service is provided directly by a third party, it may require an active service agreement with the third party and will be subject to the third party’s separate terms and conditions (available on the Audi connect website). With respect to Content Providers, a separate service agreement may not be required; however, you should review their Terms of Service and Privacy Statements to understand how they will use and share your information. Please see the Privacy Statement [here](#) for a list of Content Providers and contact details.

b) How the Service Works, Coverage Area

The Service generally works using wireless communication networks of our Wireless Service Providers and the Global Positioning System (“GPS”) satellite network. The Equipment in your Vehicle receives GPS signals and communicates with our response centers through the use of wireless and landline communications networks. The location of your Vehicle, particularly in remote or enclosed areas, may affect the availability and quality of the Service that we are able to provide to you. Some or all of the Service may not be available in all areas and may only be available if your Vehicle is in a geographic area covered by the service network footprint (and within operating range) of one of our Wireless Service Providers and is able to receive GPS signals. Service is currently only available in the continental United States (including the District of Columbia), and Alaska, Hawaii, and Puerto Rico.

c) Points of Interest

The Service may use various, connected third-party services and Content Providers to make it easier to search for numerous points of interest (“POIs”), e.g., charging stations, fuel prices, parking information, weather, travel information, train information, flight information, restaurant search, hotel search, and other available information through the browsing capabilities of the Vehicle’s systems or Equipment. In connection with this search feature, your Vehicle’s systems or Equipment may send various data or categories of data to us or our Service Partners. You may also receive an “offer icon” next to certain POIs that you search for indicating that special offers and promotions are available. This portion of the Service uses de-identified data. You may deactivate (or reactivate) this feature using the available “privacy” mode(s) for your Vehicle or its applicable Equipment. Please review your Vehicle manual for more information. See also below for more information about our privacy practices.

d) Software

We use software in connection with the Service. We (or our Service Partners) own or have rights to all such software, and you do not acquire any rights in such software other than the right to use such software as reasonably necessary for you to use the Service as permitted in your Service Plan and these Terms of Service. We (or our Service Partners) may update or modify the software contained in your Vehicle’s systems or the Equipment from time to time, and we **may do this remotely without notifying you or seeking your consent**. These software updates and modifications may affect or erase data that you have previously stored on the Equipment in your Vehicle (such as specific route or destination information). We are not responsible for any lost or erased (or otherwise affected) data and you are solely responsible for the data that you may have downloaded, uploaded, transmitted, or otherwise stored from, to, on or through the Equipment or Service.

e) Voice Recognition

Voice recognition software, which may be able to recognize different voices, accents, speech patterns and words, can be used in connection with the Service. We do not represent or guarantee that such software will recognize or work with your or other voices, accents, or speech patterns, or recognize some or all words, some or all of the time. In addition, activating privacy mode in vehicles equipped with this feature will turn off some or all voice recognition features in these vehicles.

f) Events Beyond Our Control

Various conditions beyond our control may prevent or delay us from providing Service to you or affect or limit the quality of the Service. Some examples are atmospheric, geographic, or topographic conditions (such as tall buildings, hills, or tunnels), damage to or failure to maintain your Vehicle or the Equipment in good working order, government laws, rules, or regulations, failure, congestion, or outages of utility or wireless networks (including interruption of cellular service or interference from multiple connected mobile devices), war, act of God, natural disaster, inclement weather, and labor strikes. In the event of any of the foregoing, we may, in our discretion, suspend or terminate the Service (in whole or in part) or terminate your Service Plan, without notice to you and without any liability. We are not responsible for delay or failure in

providing Service due to conditions beyond our control and you are not entitled to credit or refund as a result of any such delay or failure.

In the event of any regulatory, governmental, or other legally compelled changes, or discontinuation or change of necessary telecommunications, systems, or services (e.g., if our Wireless Service Provider terminates or restricts wireless services of the type used by your Vehicle's Equipment), we are not responsible for designing, developing, or making available any replacement Equipment to allow you to continue to receive the Service. However, if we or any third party does make replacement Equipment available, you are solely responsible for replacing, as well as the cost of replacing, any Equipment that is necessary to receive the Services as a result of such change or discontinuation.

12. Collection and Use of Your Vehicle and Subscriber Data

Your Vehicle may send various data or categories of data to AoA, and the Service may connect with data from various third-party services and in particular to search for or with respect to describing numerous POIs or enabling the display of advertisements regarding POIs or other products or services in proximity to your current position or destination (and for other purposes). For information on our data collection, sharing, and use practices, please refer to the AoA Privacy Statement available [here](#), which is incorporated herein by reference.

13. Disclaimer of Warranties

NEITHER WE NOR OUR SERVICE PARTNERS WARRANT OR GUARANTEE THAT SERVICE WILL BE AVAILABLE AT ANY SPECIFIC TIME OR AT ALL TIMES OR TO ANY GEOGRAPHIC LOCATION, OR THAT THE SERVICE WILL BE PROVIDED WITHOUT INTERRUPTION, DELAY, OR ERROR. NEITHER WE NOR ANY OF OUR SERVICE PARTNERS MAKE ANY WARRANTIES, EXPRESS OR IMPLIED ABOUT (1) THE EQUIPMENT OR ANY OTHER HARDWARE OR SOFTWARE USED WITH THE SERVICE, (2) THE SERVICE, (3) NONINFRINGEMENT, OR (4) ANY DATA OR INFORMATION (INCLUDING ANY POI) OR OTHER SERVICES PROVIDED THROUGH THE SERVICE. THIS INCLUDES, WITHOUT LIMITATION, WARRANTIES OF SECURITY, TITLE, CONTENT, QUALITY, ACCURACY, TIMELINESS, COMPLETENESS, CORRECTNESS, RELIABILITY, MERCHANTABILITY, OR FITNESS FOR A PARTICULAR PURPOSE OR USE. ALL SUCH WARRANTIES ARE EXPRESSLY EXCLUDED BY THESE TERMS OF SERVICE. WE EXPRESSLY DISCLAIM ANY AND ALL EXPRESS AND IMPLIED WARRANTIES.

The only warranties applicable to the Equipment in your Vehicle are those extended as part of your purchase or lease of your Vehicle. **Such warranty does not cover the Service, in whole or in part.**

14. Limitation of Liability

BY ENTERING INTO THESE TERMS OF SERVICE OR BY USING THE EQUIPMENT OR SERVICE, YOU ARE WAIVING IMPORTANT RIGHTS, AND YOU ARE PROVIDING YOUR EXPRESS CONSENT TO VARIOUS ACTIONS TO BE TAKEN BY US, AUDI COMPANIES, AND OUR SERVICE PARTNERS (AS DESCRIBED HEREIN).

Neither we, nor any Audi Company nor our Service Partners assume any risk or responsibility for your use of the Service, or any of the information or other content (including any POI or third-party advertisement) provided as part of the Service. You acknowledge and agree that neither we, any Audi Company, nor any of our Service Partners are liable for dropped calls or interrupted service, or for problems caused by or contributed to by you, by any third-party, by buildings, hills, tunnels, network congestion, atmospheric conditions, acts of God or natural disaster, or by any other conditions or circumstances out of our control (as further described above in Section 10(e) of these Terms of Service).

In addition, neither we (or any Audi Company) nor our Service Partners are liable (1) for our inability to contact any Service Partner or other party in any particular situation (including any emergency personnel), (2) for any act or omission of any other company furnishing a part of our Service or any equipment provided for such Service, (3) for errors or omissions of any vendors, dealers, or manufacturers participating in offers or advertisements made through us, or (4) for any damages that result from or arise out of the use, installation, repair, or maintenance by you (or by any person you authorize) of the Equipment or Service, or any product or service provided by or manufactured by third parties.

IF WE, ANY AUDI COMPANY, AND/OR ANY OF OUR SERVICE PARTNERS ARE FOUND TO BE LIABLE TO YOU FOR ANY REASON, YOU AGREE THAT THE MAXIMUM, AGGREGATE LIABILITY OF US, ANY AUDI COMPANY, AND OUR SERVICE PARTNERS TO YOU, AND YOUR EXCLUSIVE REMEDY UNDER ANY THEORY OR FOR ANY CAUSE WHATSOEVER (INCLUDING BUT NOT LIMITED TO ANY FAILURE OR DISRUPTION OF SERVICE PROVIDED UNDER THESE TERMS OF SERVICE, FRAUD, MISREPRESENTATION, BREACH OF CONTRACT, PERSONAL INJURY, OR PRODUCT LIABILITY), SHALL BE LIMITED TO AN AMOUNT EQUAL TO THE PORTION OF THE SERVICE RATES CHARGED TO YOU FOR THE SERVICES THAT ARE THE SUBJECT OF THE CLAIM FOR THE PERIOD OF SERVICE DURING WHICH ANY RESULTING DAMAGES OCCURRED. YOU ACKNOWLEDGE AND AGREE THAT NEITHER WE, NOR ANY AUDI COMPANY, NOR ANY SERVICE PARTNER WOULD HAVE AGREED TO PROVIDE THE SERVICE OR EQUIPMENT TO YOU WITHOUT YOUR AGREEMENT TO THIS LIMITATION. YOU FURTHER ACKNOWLEDGE AND AGREE THAT THE DAMAGES CAP SET FORTH IN THIS PARAGRAPH SHALL BE THE SOLE AND EXCLUSIVE LIABILITY OF US, ANY AUDI COMPANY, AND OUR SERVICE PARTNERS TO YOU.

IN NO EVENT SHALL WE, ANY AUDI COMPANY OR OUR SERVICE PARTNERS BE LIABLE TO YOU OR ANY OTHER PARTY FOR, AND YOU CANNOT RECOVER ANY, (A) PUNITIVE, EXEMPLARY, TREBLE, CONSEQUENTIAL,

INDIRECT, OR SPECIAL DAMAGES OF ANY KIND, INCLUDING, WITHOUT LIMITATION, LOST PROFITS OR REVENUE (REGARDLESS OF WHETHER WE, ANY AUDI COMPANY OR OUR SERVICE PARTNERS HAVE BEEN NOTIFIED THAT SUCH LOSS MAY OCCUR); OR (B) ATTORNEY’S FEES. YOU AGREE NOT TO MAKE, AND TO WAIVE TO THE FULLEST EXTENT ALLOWED BY LAW, ANY CLAIM FOR DAMAGES OTHER THAN DIRECT, COMPENSATORY DAMAGES AS LIMITED ABOVE. SOME STATES DO NOT ALLOW THE EXCLUSION OR LIMITATION OF INCIDENTAL OR CONSEQUENTIAL DAMAGES, SO THOSE PARTICULAR LIMITATIONS MAY NOT APPLY TO YOU.

You understand and agree that the Audi Companies and our other Service Partners, including without limitation the Wireless Service Providers, shall have no legal, equitable, or other liability of any kind to you in any event, regardless of the form of the action, whether for breach of contract, warranty, negligence, strict liability in tort, or otherwise relating to or arising from the Service and you waive any and all such claims or demands. If any Audi Company or any of our other Service Partners is involved in any problem, you also agree to any limitations of liability that such entity imposes on its customers.

15. Indemnification; Release

You agree to indemnify and hold harmless us, each Audi Company and each of our Service Partners, including Wireless Service Providers, and each of our or their respective affiliates, officers, directors, agents, partners, and employees, from and against any and all liabilities, settlements, penalties, claims, causes of action, and demands (including any costs, expenses, or attorneys’ fees on account thereof) (collectively “Claims”) irrespective of the nature of the cause of such Claims, alleging loss, costs, expenses, damages, or injuries (including without limitation Claims for libel, slander, or any property damage, personal injury, or death), arising in any way, directly or indirectly, in connection with your (or any occupant of your Vehicle) violation of these Terms of Service or your (or any occupant of your Vehicle) alteration, use counter to instructions, misuse, or failure to use the Service or Equipment.

You agree that the limitations of liability and indemnities in these Terms of Service will survive even after your Service Plan has ended and your Service has terminated. These limitations of liability apply not only to you, but to anyone using your Vehicle, the Equipment, or the Service, to anyone making a claim on your behalf, and to any claims made by your family, employees, customers, or others arising out of or relating to any Service we or our Service Partners provide or the Equipment.

WITHOUT LIMITATION OF THE GENERALITY OF THE FOREGOING, YOU FURTHER AGREE TO RELEASE US, EACH AUDI COMPANY AND EACH SERVICE PARTNER FROM ALL CLAIMS, LIABILITIES, AND LOSSES IN CONNECTION WITH THE SERVICE AND/OR EQUIPMENT, INCLUDING, BUT NOT LIMITED TO CLAIMS FOR DATA COMPROMISE, PERSONAL INJURY, OR PROPERTY DAMAGE ARISING FROM THE TOTAL OR PARTIAL FAILURE OF PERFORMANCE OF THE SERVICE, EVEN IF CAUSED BY THE NEGLIGENCE OF US, ANY AUDI COMPANY, OR ANY OTHER SERVICE PARTNER, OR THE MALFUNCTION OF THE

EQUIPMENT. YOU AGREE THAT THIS RELEASE EXTENDS TO ANY PARTY CLAIMING UNDER YOU AND THAT NO INSURANCE COMPANY WILL HAVE ANY RIGHT OF SUBROGATION.

16. Dispute Resolution

PLEASE FIRST CONTACT US FOR CUSTOMER SUPPORT IN THE EVENT OF ANY DISPUTE. IF WE ARE UNSUCCESSFUL IN RESOLVING OUR DISPUTES IN THIS MANNER WITHIN A REASONABLE TIME PERIOD, YOU AND AOA EACH AGREE THAT, TO THE FULLEST EXTENT PROVIDED BY LAW:

(1) ANY CONTROVERSY OR CLAIM ARISING OUT OF OR RELATING TO THESE TERMS OF SERVICE, OR TO ANY PRODUCT OR SERVICE PROVIDED UNDER OR IN CONNECTION WITH THESE TERMS OF SERVICE, WILL BE SETTLED BY INDEPENDENT ARBITRATION INVOLVING A NEUTRAL ARBITRATOR AND ADMINISTERED BY THE BETTER BUSINESS BUREAU (“BBB”) UNDER BBB ARBITRATION RULES, AS MODIFIED BY THESE TERMS OF SERVICE. BBB RULES AND FEE INFORMATION ARE AVAILABLE FROM US OR THE BBB. ARBITRATION IS NOT A COURT PROCEEDING. THE RULES OF ARBITRATION DIFFER FROM THE RULES OF COURT. THERE IS NO JUDGE OR JURY IN AN ARBITRATION PROCEEDING;

(2) EVEN IF APPLICABLE LAW PERMITS CLASS ACTIONS OR CLASS ARBITRATIONS, YOU EXPRESSLY WAIVE ANY RIGHT TO PURSUE ON A CLASS BASIS ANY SUCH CONTROVERSY OR CLAIM AGAINST AOA, ANY AUDI COMPANY, OR ANY OF OUR SERVICE PARTNERS, OR ANY OF OUR RESPECTIVE AFFILIATES, OFFICERS, DIRECTORS, AGENTS, PARTNERS, LICENSORS, EMPLOYEES, OR PREDECESSORS IN INTEREST. IF MULTIPLE CLAIMS ARE JOINED IN ONE ACTION, SOME OF WHICH WOULD NOT BE SUBJECT TO ARBITRATION, THE LATTER CLAIMS MUST BE STAYED UNTIL ANY CLAIMS IN THAT ACTION THAT ARE SUBJECT TO ARBITRATION HAVE BEEN RESOLVED. IF CLAIMS ARE ASSERTED AGAINST MULTIPLE PARTIES, SOME OF WHOM ARE NOT REQUIRED TO ARBITRATE, THE CLAIMS SUBJECT TO ARBITRATION MUST BE SEVERED. HOWEVER, YOU RETAIN YOUR RIGHT TO FILE A COMPLAINT WITH ANY REGULATORY AGENCY OR COMMISSION;

(3) NO ARBITRATOR HAS AUTHORITY TO AWARD RELIEF IN EXCESS OF WHAT THESE TERMS OF SERVICE PROVIDE, OR TO ORDER CONSOLIDATION OR CLASS ARBITRATION, EXCEPT THAT AN ARBITRATOR DECIDING A CLAIM ARISING OUT OF OR RELATING TO A PRIOR AGREEMENT MAY GRANT AS MUCH SUBSTANTIVE RELIEF ON A NON-CLASS BASIS AS SUCH PRIOR AGREEMENT WOULD PERMIT. IN ALL ARBITRATIONS, THE ARBITRATOR MUST GIVE EFFECT TO APPLICABLE STATUTES OF LIMITATIONS AND WILL DECIDE WHETHER AN ISSUE IS ARBITRABLE OR NOT. IN A LARGE/COMPLEX CASE ARBITRATION, THE ARBITRATORS MUST ALSO APPLY THE FEDERAL RULES OF EVIDENCE AND THE LOSING PARTY MAY HAVE THE AWARD

**REVIEWED BY A REVIEW PANEL CONSISTING OF THREE (3) ARBITRATORS;
AND**

(4) IN THE EVENT THE FOREGOING ARBITRATION REQUIREMENTS DO NOT APPLY, YOU AND AOA EACH WAIVE, TO THE FULLEST EXTENT ALLOWED BY LAW, ANY TRIAL BY JURY AND A JUDGE WILL DECIDE ANY AND ALL DISPUTES.

You are not a third-party beneficiary of any agreement between us and any of our Service Partners. None of our Service Partners has any legal, equitable, or other liability of any kind to you under these Terms of Service. You expressly waive any and all claims or demands for such liability. Our Service Partners are third-party beneficiaries of these Terms of Service.
